The Crisis Litigator

Ed McPherson has been protecting musicians and A-list actors for more than 30 years. He has championed cases for more than 50 platinum acts, including Earth, Wind & Fire, The Beach Boys, Santana, Prince, The Go-Go's, Korn, Weezer, Jane's Addiction, Blink 182, Megadeth, Rage Against the Machine, Kanye West, Selena Gomez and LMFAO. McPherson is recognized as the quintessential expert on California's Talent Agencies Act.

McPherson's clients call on him to manage crises all over the globe, from the Great White-Rhode Island fire to the death of a Limp Bizkit fan at the Big Day Out festival in Australia, to protecting Stevie Nicks and others from stalkers.
